TRATEC
OUR SOLUTION 4 YOUR VISION

VACUUM SYSTEMS AND SANITARY MODULES

TRWC-1 Standard WC Module

TRWC-2 Universal WC Module

- TSI 1300/2014
- Modular self-contained system
- Materials according EN45542-2
- Customer design

TECHNOLOGY 4 ALL THE PEOPLE

VACUTEK – Vacuum system TRATEC

- Combination of highly reliable valves ensure long-term trouble-free operation
- Easy assembly and disassembly – rapid exchangeability
- Self-diagnostics including system protection technology
- Optimized rinsing system to minimize water consumption
- Low air consumption for flushing
- Ability to work under low working pressure (3.5 bar)
